ROAD WORK IN PROGRESS

Manoa Road Has at Last Been Finished at Cost of \$12,000.

Macadamizing on Ewa Road Now Being Done—One of the Kalihī Suburbs Having Streets Constructed.

That hard old Manoa road was completed as far as the Legislature had allowed before the holidays. Its total cost was a little under twelve thousand dollars. Some harder rock cutting than had been expected made the work difficult and protracted. But now the road is there, and an acquisition to Honolulu's best drive-ways.

A gang is now macadamizing the Ewa road between Moanalua and Kapukahi. This road has been extensively improved for both carriage and bicycle travel within the past few years. Several steep hills that used to be a terror to the traveler have been cut down or avoided by changes of route.

An appropriation was made by the late Legislature for constructing streets at the Kalihī suburb of Kalaupapala on the line of the Kamehameha road. This has become a populous little village. Among its pleasant homes are those of the road supervisor himself, W. H. Cummings, and Henry C. Meyers, the deputy auditor general. The latter took up a homestead there many years ago. The street building at this place under the appropriation is well advanced toward completion.

A MODEL CAPTAIN.

Charges of Cruelty to Child Are Unwarranted Gossip.

EDITOR EVENING BULLETIN:—In this evening's BULLETIN appears an article "Cruelty to a Child," in which your correspondent who ever he is (certainly not a gentleman as his pointed remarks infer) knows little or nothing of what he has tried to tell.

I happen to be fairly well posted in the matter and can deny any of your remarks point blank. I am intimate with the captain in and by a man of his stamp and frankness any good citizen would swear, every time. His ship is the most liberal feed wind jammer I ever ran across and I have seen and been in a few and any man who knows anything and pays said vessel a visit will at a glance see the great injustice has been done the Captain by your article.

I know of several friends besides myself who have visited the vessel and I am sure their praise has been for the pleasant time spent with the genial Captain and his wife, but I guess it is another deep sea yaru made up by a knowall and after investigation found to be a fassel of the brain of a know nothing.

Every man has a right to handle his own household affairs and the Captain's family and friends are well aware of all that is passing and again I say, a snap of a finger to any man who would denounce a person through the daily press without first finding out the truth. Is this Americanism?

Ludignant at the gross injustice done my friends I beg you to correct what you have said in your paper or at least say no more until you investigate, as your correspondent put it. I hope he'll be satisfied when he finds out.

How to Make Court-bouillon.

This is a favorite creole way of cooking fish. Redfish or red snapper makes the best court-bouillon, though any large fish with firm flesh may be used. Brown a teaspoonful of flour in one spoonful of lard. When well browned, add one small chopped onion and about two tablespoonfuls of tomatoes. Then put in your fish cut in slices and add sufficient water to cover the fish, which quantity is generally a teaspoonful. Simmer slowly for about one-half hour. Ten minutes before serving add parsley, thyme and bay leaves. Season to taste when first you begin to cook the fish. Some creoles add half a bottle of claret to the court-bouillon while cooking.

How to Make Rhubarb Sherbet.

Wash eight stalks of rhubarb and without skinning cut it in one inch pieces. Put it in a saucepan with a quart of cold water and cook slowly until very tender. Add the grated rind of a lemon and three ounces of granulated sugar and stand aside, covered, in a cool place for four or five hours. Strain and chill.

How to Prepare Hamburg Salad.

Beat one egg until well mixed, add three tablespoonfuls of water, three tablespoonfuls of tarragon vinegar, one-half of a teaspoonful of white pepper and a quarter of a teaspoonful of dry mustard. Drop into this two tablespoonfuls of butter and stir over hot water until thick and smooth. Pour this while hot over one quart of shaved white cabbage, and mix thoroughly. When cold, sprinkle over it one teaspoonful of onion juice, one dessertspoonful of horse radish, one-half of a cupful of grated smoked beef and one cupful of cooked or canned shrimps, cut into small bits. Mix, stand away for an hour and serve.
